Subject: Extension of Expiration Date for ASME Quality System Certificate as a Material Organization (QSC-585)  
Exp. 3/09/2010

Dear Mr. Arrieta:

This letter is to serve as an extension of expiration date for the subject Certificates for which the current expiration date is March 9, 2010 and was previously extended to May 31, 2010.

Since the results of the ASME survey conducted on March 15-17, 2010 are presently being evaluated by the ASME, this extension will allow sufficient time for the evaluation to be completed. Therefore, this extension will expire upon the date of the completion of the evaluation of the results or on **June 14, 2010** - whichever comes first.

Very truly yours,

Bibi W. Rahim, Manager
