

ANY DOUBT THAT IT IS A **TUBACEX PRODUCT?**

Does the material certificate contain amendments or confusing information? Do you suspect that the certificate has been altered? Before proceeding please confirm that it is a TUBACEX product by following the guidelines below:

-  Accept only original material certificates or certified copies.
-  Retain material certificates and corresponding delivery notes for future reference.
-  Validate the legitimacy of the supply chain of the product.
-  If you have any doubt regarding the origin of any TUBACEX product, contact our commercial offices or agents.
